**Coalition for the American Dream**  
**Statement on House Immigration Vote**

**WASHINGTON DC** – The Coalition for the American Dream, an organization of business leaders representing every major sector of the U.S. economy, encourages lawmakers and administration officials to continue to work in good faith to find a bipartisan, permanent legislative solution for Dreamers.

We appreciate the efforts of members of Congress on both sides of the aisle who continue to seek a realistic compromise. Only when members come together in this way, will we be able to protect these young people who are making contributions to our nation as soldiers, students, workers, and entrepreneurs.
